1 killed, 3 seriously injured
in single car mishap on 35

MINDEN — On Sunday evening at 6:25 p.m. on Hwy. 35 just north of the 12 Mile Lake bridge, Timothy Terrance Toye 24, of Orono, was killed in a single car accident.

The 1979 car, with four occupants, was north-bound and failed to negotiate a curve north of the bridge and rolled over several times in the east ditch. All the occupants were thrown from the car, and three of them taken to hospital in Lindsay in serious condition. Coroner Dr. H. E. Good pronounced Toye dead at the scene.

Damage was set at \$7000 to the car by investigating Constable Bob Wood and Cpl. Alexander.

Mysterious circumstances re:
body in Long Lake

HALIBURTON — The body of 26 year old Douglas Wallace Herbert, of West Hill was located in Long Lake some 24 hours after he was reported missing to the Ontario Provincial Police last Tuesday morning.

Police report that the West Hill man was out with friends in a canoe on the lake around noon on Tuesday. According to the friends, he somehow entered the water, disappearing. Long Lake is about a mile east of Haliburton village off Hwy. 121.

Herbert's companions then put into Rainbow Cottages on the lake where they reported the incident to cottage owners who notified police.

A detachment spokesman said that the lake was dragged from 1 to 6 p.m. without success. He explained that the Minden divers are on holiday so one diver from Lindsay and two from Barrie had been brought in to help look for the body which was found at 10:22 a.m. on Wednesday morning.

The investigation continues by PC Mike Maher and Cpl. R. Foran.

Five bicycle over 300 miles

Mr. and Mrs. Gordon Hough of Stanhope Township were pleasantly surprised recently when two nieces, a nephew, their granddaughter and a friend arrived at their doorstep on the North Shore Road by bicycle.

The group had travelled 320 miles from Charing Cross near Chatham, Ontario when they arrived at the Hough home. The trip took a total of six days and included a brief stop in Woodstock where one cyclist lives.

When Mrs. Hough called The Express, the cyclists were just preparing to leave on their return trip. They were: Jackie Russell, Cherrie Russell, Vicki Russell, Terry Russell and Laurie Hall. Best of luck to you all.

Church group sponsor family

The official board of the Minden-Carnarvon Pastoral charge have decided to adopt a Vietnamese family, Rev. Miller told The Express on Monday.

Rev. Miller added that the church congregations were in favour of the decision and many pledged

Calgary man aces 8th at Beaverbrook Golf

MINDEN — It's either feast or famine when it comes to holes in one here in Haliburton County. Just last week at Pinestone Inn, Gordon Cation of Willowdale became the first golfer to get a hole in one this year.

However, on Monday, June 25th, Dean Hewitt of Minden became the second hole in one shooter in two days when he aces the 130 yard eighth hole at Beaverbrook Golf Club. Dean was golfing with Shopsy McKelvey when he pulled out a seven iron and dropped the ball in the hole. Mrs. Donna John-

son also of Minden witnessed the once in a lifetime feat for most golfers.

Then on Thursday afternoon, Beaverbrooks No. 8 hole gave up its second ace in three days, this time to a visitor from Calgary, Alberta.

Warren Workman was golfing with his parents, Mr. and Mrs. George Workman, when he too pulled out a seven iron and picked up his first hole in one. Both men will receive the Medley's Pizza award for their achievements.

Legion Carnival coming soon

At least three marching bands will be the major crowd-pleasing attractions of this year's Haliburton Legion carnival.

Set for Wednesday, July 18th the popular July event will feature the Ontario Provincial Police pipe and drum band, the Haliburton Legion pipe band and, barring last minute plan changes, the Canadian Forces Petawawa Base band.

Besides marching and playing in the Legion parade (7 p.m.), the bands will provide brief individual concerts afterwards in the fair grounds.

Also marking this the 34th annual Haliburton Legion carnival will be live entertainment Wednesday evening starring the Ike Kelneck band, plus dancing, bar facilities, bingo and an outstanding midway opening at 1 p.m. and featuring a variety of rides, games and booths.

Capping the day's events will be the draw for a Ford Thunderbird to be held at the Haliburton Curling Club.

\$20 in support of the soon-to-arrive family, who will be assisted by local residents and integrated into the Canadian way of life.

Anyone wishing to support the church group with a pledge may do so by contacting either Norman Wallace, RR 2, Minden or Lorne Coburn in Minden.

Festival of Fun Day, August 18

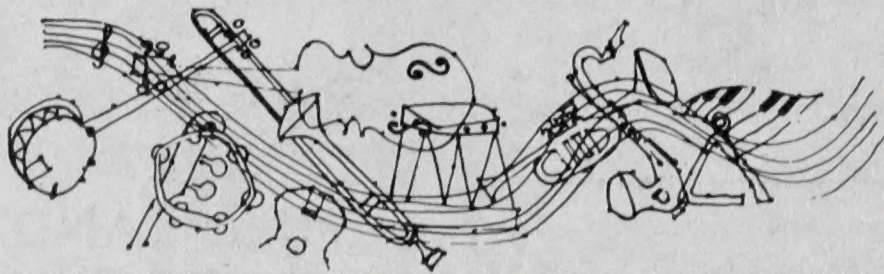

STANHOPE — August 18th, 1979 is the date for the Stanhope "Festival of Fun Day." The reason for this special day is to say thank you to the many government ministries who supplied grants and to Wintario for their assistance which made possible the new library, firefighters' community hall, ball park and tennis courts. The people of Stanhope as well as the surrounding townships are invited to this fun day to see and enjoy these new facilities.

The day will feature a barbecue and evening dance and activities will include a puppet show at the library, horseshoe pitching, baseball game, bake sale and tea, an arts and crafts display and sale and the firemen will be putting on a firefighting demonstration and show a film on fire prevention.

There will also be a dedication of a tree to mark the 100th birthday of Stanhope resident Mr. Charles Fader, donated by Ann and Don Barker of the Minden and District Horticultural Society.

A tennis pro will be on hand to officially open the new courts and will be giving a tennis demonstration for those who would like to learn the sport. The official opening will take place at 10 a.m. with County Warden and Stanhope Reeve Jim Harrison. It is also expected that MP Bill Scott and MPP John Eakins will be in attendance for the celebration.

Promoting the Games

By W. Roger Worth

Canada recorded its first known lottery-related fatality recently when 32-year-old Newfoundlanders Gerald Roberts, an alcoholic, died after apparently consuming too much booze.

Roberts, who left a wife and three boys, became a millionaire little more than a year ago when his numbers came up in the Loto Canada draw.

Roger Worth is Director, Public Affairs, Canadian Federation of Independent Business.

While Robert's sad demise is perhaps unimportant in the overall scheme of things, it raises questions about the methods Canada's bureaucrats turned hucksters are using to flog their lottery wares across the nation.

Here's Bonanza veteran Lorne Greene, for example, front and centre on the national television network, cajoling Canadians to buy the \$10 tickets that have created more millionaires than the Klondike Gold Rush.

The provinces and regions of the country, following Ottawa's lead, are spending millions of dollars on high-priced, high-powered advertising to win business away from their federal counterparts.

The argument is not whether Canada should have lotteries, or who should control them. Lotteries and games of chance have become a way of life, particularly since Ottawa set up Loto Canada to help finance the debt left from

Montreal's Olympic debacle.

In addition, the financial support for amateur sports and community projects provided by the proceeds of provincial and federal sweepstakes has been helpful.

Still, the system seems to have gone berserk. Advertising budgets for virtually all of the lotteries have rocketed as the market peaked.

Now, federal government promoters are attempting to squeeze the small businesses who made the schemes so successful. Supermarkets are allowed to sell Loto Canada tickets, pulling business away from the corner store.

The basic question, though, is why Canadians are besieged with material promoting the instant millionaire. In their claims, few of the advertisements mention the fact that only one buyer in every 625,000 (the best odds) is a winner.

Gerald Roberts was a winner. You can bet Loto Canada will not be using his name in upcoming promotions.

One-time registration fee for trailers in Ontario

TORONTO — Beginning December 1, 1979, Ontario trailer plates will be permanent and reflectorized, Minister of Transportation and Communications James Snow said today.

"As part of a general trend towards deregulation, we plan to issue trailer plates for a one-time fee of \$25.00," said Snow.

"This one-time fee will assist the trucking industry which in the past has had to locate trailers often in use anywhere on the continent each renewal time. And in the long run, the new system will provide a cost-saving for both private and commercial trailer owners and the Ministry," added Snow.

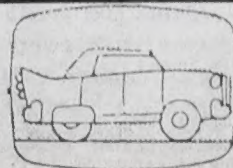

Surveys indicated 16 years is the average life for the over 700,000 trailers now registered in Ontario. At today's fee of \$5.00 per year, the cost of registration for the lifetime of the average

trailer would be \$80.00 compared to the new one-time fee of \$25 — a possible saving of \$55 for an owner.

Private trailer owners will experience the same long term savings as commercial operators and should have increased equity in their rig at the time of sale because of the permanent licence.

"The provision of reflectorized plates for all trailers registered in Ontario is part of MTC's continuing safety program. And they should provide greater visual identity for such vehicles during bad weather and at night," said Snow.

Originated by Thomas Nast, the elephant first appeared as a symbol of the Republican Party in a cartoon published Nov. 7, 1874.

1000 Lakes Executives Honoured

Left to right: Bill Phillips, Bancroft; Joan Eyeell, Fenelon Falls; Ross Wilson, Fenelon Falls.

The Ontario Five Pin Bowlers Association held their 13th Annual Convention at Elgin House in Muskoka District.

Three of the hardworking executive of 1000 Lakes were honoured.

Joan Deyell, who has been Publicity Chairman of 1000 Lakes since its inception, was the recipient of the Certificate of Appreciation. Only 10 of these awards are presented annually.

At the President's Banquet on Saturday night both Ross Wilson and Bill Phillips were among the recipients of Incentive Awards. Ross won the plaque for Treasurer of the Year and Bill won the plaque for Awards Chairman of the Year.

We are indeed proud of these 3 people. These plaques are a tangible proof of the

dedication and enthusiasm exhibited by them.

The highlight of the evening was a presentation by Ev Wood to Ruth Homan. Ruth has been secretary in the Ontario Bowlers Congress office for a number of years. She has been invaluable to the rest of the staff and the many zone executives who have called for assistance.

We as a group have never taken the time to tell Ruth how much we appreciate her.

New raccoon season to start this fall

Ontario will introduce an annual season on raccoons this fall in an effort to upgrade pelt quality, Natural Resources Minister James A. C. Auld said today. The new regulation takes effect July 1.

Currently there is no season on raccoons, but when the new regulation comes into effect, raccoons can only be hunted or trapped from October 15 to December 31 in any year.

Mr. Auld said the new regulation is strongly supported by the Ontario Trappers Association.

"Alex Shieff, the OTA's manager and fur grader at its fur sales service in North Bay, estimates that about one-third of Ontario raccoon pelts auctioned at the sale are of poor quality because they have been harvested either too early or too late," the minister said.

Mr. Auld said he would like to assure farmers that the new season will not prevent them from removing nuisance animals that eat their corn or cause other damage.

"The Game and Fish Act still allows landowners to remove or destroy nuisance raccoons whether the season is open or closed," he said.

HEART FUND

On Sports

BY JOHN DALTON

It's the difference between quick hands and quick feet.

That's how tennis star Anand Amritraj describes the contrast between doubles and singles competition on the international circuit.

"In doubles you need very quick hands," says Amritraj. "In singles you need the legs."

Amritraj, 27, the oldest of three India-born brothers who became tennis pros, prefers to play doubles because it's what he does best. He teams with brother Vijay to form one of the world's toughest combinations.

"Vijay and I are one of the top 10 in doubles," claims Anand. Their brother Ashok helps to form one of the few noted trios in sports history.

Anand led India to the Davis Cup finals in 1974 with Vijay. They have never lost a doubles match in Davis Cup action in India.

"Naturally, you like to do what you are best at," says Anand. "So I enjoy playing doubles more than I do singles."

Despite his ranking far below the top — Connors, Borg, Villas, etc. — in men's singles, Anand has had a couple of victories against the stars.

Says Anand: "In singles I've had occasional good wins — Manuel Orantes, John McEnroe. But I haven't been able to put together any consistency."

His sights in 1979 are set on the Wimbledon and the U.S. Open.

Anand plans to compete in late November in Bombay in

the India Open, the nation's only major tennis tournament. The Amritraj brothers are India's only full-time professional athletes.

With Vijay, Anand has an impressive string of doubles titles: Mexican Open, 1978; Pacific Southwest, 1975; Louisville Classic, 1975; and Asian Championships, 1972-79. They reached the semifinals at Wimbledon in 1976.

Anand, a U.S. Open quarterfinalist in 1973 and 1976, didn't even turn pro until he

finished his Masters degree in economics at the University of Madras.

"All these games are still sports in India," he says. "Tennis is getting more popular. It had been mostly played by the wealthy people."

Anand, who estimates that a world tennis pro needs yearly earnings of at least \$25,000 to keep going, played World Team Tennis last year with the Anaheim Oranges. But the financially

stricken WTT folded out from under him.

But the family does OK even without playing tennis.

The sons are partners with their mother, Maggie, in a racket-stringing company, a Madras-based operation that uses split-lamb gut.

"We're going to try to export it to the United States," says Anand, praising his mother for her role in directing the company.

Planes landing on Green-land occasionally are delayed while ground crews shoo 900-pound musk oxen off the airport runway.

Lock delays possible during celebrations on July 4-8

The Trent-Severn Waterway advises that boaters can expect possible delays at Ashburnham Lock (Lock 20), and Peterborough Liftlock July 4, July 7, and July 8.

The reason for the delays lies with the fact that on those three days, celebrations commemorating the 75th anniversary of the opening of the Peterborough Liftlock will be underway.

"The locks will be operating during normal hours, but the usual sequence may be changed to accommodate events," said Superintendent G. B. Mac Donald.

Officials are suggesting that boaters make use of the delays to take part in some of the ceremonies and activities planned for the anniversary celebration.

Canadian Postmasters & Assistants Hold Annual Spring Meeting

Last Wednesday evening, June 6th, the annual spring meeting of Zone 8 of the CPAA was held here in Bancroft as Head Table guests enjoyed a delicious meal before settling into an evening of business and special presentations.

Anne Glenn (middle) on behalf of Zone 8 offered words of congratulations and appreciation to Mr. and Mrs. F. Squire Wallace on his retirement as Postmaster from Dorchester, Ontario, as well as their 43rd Wedding Anniversary. The Wallace's were presented with a china mailbox. Mr. Wallace is the Immediate Past President of the CPAA, Ontario Branch.

The annual spring meeting of Zone 8 of the CPAA (Canadian Postmasters and Assistants Association) was held June 6th, at the Eastern Star Hall in Bancroft.

Following registration and a social hour a delicious turkey dinner prepared by the Eastern Star ladies was enjoyed by all.

President of Zone 8, Mrs. Anne M. Glenn, Postmaster at Gilmour, Ont., introduced the head table; Mr. and Mrs. Ron Starkey, Postmaster at Richmond, Ont., and President of the Ontario Branch of the CPAA; Mr. F. Squire Wallace, retired Postmaster from Dorchester, Ont., and Immediate Past President of the CPAA Ontario Branch and his wife Mrs. Ivy Wallace; Mr. and Mrs. Rod Penton, Cardiff, where Mrs. Penton was Postmaster for the past 19 years until her retirement in May. Mrs. Penton was also a director and Zone Chairlady with the Ontario Branch of the CPAA for the past 7 years; Mr. Murray Agnew, Sec. Treas. Zone 8 and Postmaster at Wilberforce, and his wife Eileen.

President Anne Glenn's opening remarks dealt mainly with communication between Union and Management. As members of the CPAA they

have always endeavoured to provide the best possible service to their communities and will continue to do so. The Post Office Department and the CPAA are now taking positive steps toward problem solving, with programs such as Intergroup, Employment Assistance and Human Resource development programs. President Anne concluded by urging all members to participate and keep the lines of communication open in order to have Peace in the Post Office and provide better service to their communities and consequently their Nation will benefit.

The meeting continued with a draw for the door prize which was won by Mrs. Muriel Penton.

Muriel then brought a report from the CPAA Branch Convention held at Sudbury, May 18th - 21st. Mrs. Penton's remarks, as always were informative with just the right touch of humour.

At the Regional Meeting of the Canadian Postmasters and Assistants Association held in Thunder Bay on the weekend of May 5th, Muriel Penton of Cardiff was honoured with a

with a gift in the form of a fine china mailbox, mainly as a memento for the fine work Mr. Wallace had done for the CPAA, while serving as President on the Ontario Board.

Mr. Lloyd Johnson, Senior Assistant at the Minden Post Office was congratulated on being elected a Director on the Ontario Board of the CPAA at the Sudbury Convention.

Mr. and Mrs. John VanBakel also received congratulations on their 20th wedding anniversary.

The highlight of the evening was the honouring of Muriel Penton on her retirement both from the Post Office and the CPAA.

Several people brought remarks regarding Muriel's dedication and her enthusiasm and willingness to always be there and do the things that needed to be done. Her husband, Rod, was not forgotten for he too has made tremendous contributions in many ways to the Canadian Postmaster's Association. A fitting tribute was given by President Anne.

Muriel and Rod were presented with several lovely "token gifts", plus a Gift Certificate and a purse of money.

Muriel has received an Honorary Life Membership from the CPAA, and it is the hope of Zone 8 to see her and her husband at all meetings. President Anne, who was the Zone Delegate at the Sudbury Convention then brought her report, after which she introduced the Guest Speaker of the evening - Mr. Ron Starkey, whose address was fitting, interesting and knowledgeable. During the question period Mr. Starkey was able to help a number of the members with problems. Service to customers was also stressed.

Elections were then held, and the new Executive for Zone 8 is as follows: Mrs. Anne M. Glenn - Postmaster, Gilmour, President, by acclamation; Mrs. Dorelle Baker - Sr. Assistant, Haliburton, Vice-President; Mr. Murray Agnew - Postmaster, Wilberforce, Sec. Treas. by acclamation; Mrs. Marsha Lockwood, Postmaster, Cardiff, Director; Mr. Ivan Gunter, Postmaster, Coe Hill, Director.

Members attended from Coe Hill, Maynooth, Gooderham, Irondale, Lake St. Peter, Harcourt, L'Amable, Haliburton, Minden, Cardiff, Hillier, Stirling and Bancroft.

After a short break, attention was focused on the special guests who were being honoured at this spring Zone 8 meeting.

The President, on behalf of the Zone, brought words of congratulations and appreciation regarding Mr. Squire Wallace's retirement and also 43rd wedding anniversary. The Wallaces were then presented

"To Muriel Penton. On the occasion of your retirement from the Public Service. I wish to thank you on behalf of the Government and people of Canada for your contribution over 19 years of faithful service and to extend to you their best wishes."

Signed Pierre Trudeau

The festivities begin Saturday morning at 9 am. after the opening ceremonies at the park. The Lions will be operating their food booth with hot and cold beverages and snacks for sale. Children's decorated bicycles, a clown, and a surprise from McDonald's in Lindsay will be sure to delight the younger crowd.

At 10 am. the sailboat races begin. They are followed at 11 with children's games and competitions and canoe races with classes for men, women and children. Trophies for the canoe races are being donated by Molson's.

A bum contest sponsored by GWG and Krazy's Blue Jeans of Lindsay and a bikini competition at 2 pm. will certainly have many volunteer judges. The finalists from these contests will appear again on Saturday night at the arena.

At 6 pm. in the arena, a Hawaiian punch bowl party begins. This is followed by a Hawaiian style smorgasbord dinner prepared by the Lions Club. Then comes dancing to the Alpine Show band. Cost for the punch party, smorgasbord and dance is \$25 per couple. For the dance only tickets are \$5 per person. Tickets are available from the Lions Club members or at the door for the dance. A draw will be made for a trip for two to the Grand Old Opry in Nashville, Tennessee, too.

Sunday afternoon beginning at 1:00 pm. more events are being planned and at 2:30 local talent will be performing in a water skiing exhibition.
